

Attention: MNL Members

Parking during the MNL Convention in St. John's

The Delta Hotel in St. John's does NOT provide parking for all hotel guests and parking in the downtown area of St. John's is very limited.

Park Cards are available for metered parking in the area. This is a cashless way to use the electronic parking meters operated by the City of St. John's.

The ParkCard functions in a similar manner to credit cards, only it is exclusive to parking meters. ParkCards can be purchased at St. John's City Hall and in any increment between a minimum of \$20 to a maximum of \$100. An additional two-dollar fee will be applied to the purchase of each ParkCard at the time of purchase.
