Dear MNL and fellow council representatives,

I am excited to announce that I am running for the Small Towns Director with Municipalities Newfoundland and Labrador. I am starting my campaign by reaching out to you, my friends and community leaders, to ask for your endorsement, support, and volunteer effort.

I am honored to have earned the early support of Deputy Mayor Melissa Hierlihy and Steven Rowe both from the Town of South River.

As a civil engineer, a councillor, and a parent, I know the importance of a solid foundation from which we build strong, solid communities. As a project manager, I see the direct impact of policy decisions on smaller communities.

I have worked in the private sector, forging partnerships between municipalities and politicians. As you may know, I have always been concerned about the voices of smaller communities within Newfoundland and Labrador and I would like to be that voice. I serve as the chairperson for the Joint Council for Conception Bay North and know first hand the need for a strong representative for smaller communities.

Today there are 276 incorporated municipalities representing 89 percent of the provincial population. Over 97 percent of these councils are paying members of MNL and drive our considerable advocacy and policy efforts. (MNL Website)

I would like to be your direct representative for this collaborative effort. Voting for MNL Board of Directors elections will be open on Thursday morning, Oct 26th and conclude Saturday morning, Oct 28th

If you require any additional support on the voting days, please don't hesitate to reach out to me. You can contact my campaign at (709)746-8767. Thank you very much for your support.

Sincerely,

Ryan Snow
