Newfoundland and Labrador

2025 CORPORATE SPONSORSHIP PACKAGE

About MNL

Municipalities Newfoundland and Labrador (MNL) is a membership-based, non-profit organization representing the province's incorporated municipalities. MNL exists to support and strengthen local government through advocacy and program delivery.

MNL formed in 1951 to represent the interests of the growing number of municipal councils in the province. Today, MNL's membership includes 275 municipalities and is governed by a 15-member Board of Directors representing six regions, as well as small town and urban constituencies. Directors are elected by delegates at the Annual General Meeting, one of the largest conventions in the province.

MNL activities are coordinated by a staff of professionals based in the organizational headquarters located at 79 Mews Place in St John's.

Our Mission

Empower and support local governments to build vibrant communities

MNL provides the sector with a collective path towards achieving sustainability. We use our research and policy capacity to show stakeholders what is possible and probable and to ensure municipal councils have the legislative and financial capacity to follow that path. We help members make informed decisions about where the future is going. We provide tools to help them respond today and into the future. We provide the sectoral memory necessary to assess the adequacy of proposed solutions.

Our Work

MNL's work falls under two broad categories – advocacy and program delivery. MNL's advocacy work is guided by its strategic advocacy pillars and member resolutions put forth at the Annual General Meeting, with further guidance provided by the advocacy advisory committee. Programs and service delivery is driven by a mandate to provide sector leading solutions to our membership.

The Value of Supporting MNL

Your sponsorship dollars support MNL's efforts to strengthen and promote effective, informed leadership at the local government level.

It is often said that local government has the most direct impact on residents. By supporting MNL, you are directly contributing to the betterment of Newfoundland and Labrador's communities.

Your support of MNL's work brings with it significant benefits in the form of access to the municipal sector's key decision makers. MNL's membership mailing list provides access to all 275 incorporated municipalities. Printed event programs reach 300 to 400+ people at the Municipal Symposium each spring, and 400 to 600+ people at the annual MNL Conference each fall.

Local governments – incorporated towns and cities – are a business, with a need for services and products from a wide range of suppliers. Your MNL event sponsorship includes direct, in person connections to decision makers at the province's largest municipal sector events.

Partnering with MNL provides access to both our membership and the goodwill we have established amongst our membership as a trusted source of municipal information.

In August of 1951, the mayors of 17 towns gathered at the White House in Corner Brook for the first Federation of Newfoundland Municipalities (now Municipalities Newfoundland and Labrador) convention, declaring a mission to advocate for the interests of local government in the province.

This fall, municipal leaders will again gather in Corner Brook for the annual conference, marking three quarters of a century of municipal advocacy.

We invite businesses and organizations to join us as we commemorate 75 years of working to build strong, resilient and sustainable communities.

Sponsor Benefit Details

Logo included in sponsors graphic on event screen slideshows, on event webpage, posted on social media, included in event emails

As an event sponsor, your company logo will be displayed with all other sponsor logos for the duration of the event on on-stage screens, in event programs, on the event webpage, in emails to members, and on social media. Social media reach for event posts typically reach several thousand people, while in-person logo displays are viewed multiple times throughout the event to strengthen your brand image and brand awareness among MNL's membership.

One standalone email to MNL membership

MNL provides you access to its membership mailing list to send a message of your choosing (pending MNL approval) in a cobranded (MNL and your company) email that takes advantage of MNL's reputation as a trusted and reliable source of information.

Message included in email to attendees during event (several sponsor messages in a single email)

During the event, daily emails are sent to delegates with essential information for that day. These emails typically have open rates in the 60-70 percent range. A limited number of display ad blocks are available in each day's email. Ads may include an image, a 50-word block of text, and a link to your company's website or social media profile.

Option to present a 15-minute session at event

Offered at the beginning of a longer session, or bundled together with other sponsors, this option is ideal for delivering information on a single topic or encouraging attendees to visit your trade show or sponsor showcase booth for further information. For maximum effectiveness, your message should focus on the benefit to municipalities, as opposed to focusing on your product or service.

Option to present a 30-minute session at event

For those new to working with the municipal sector, these standalone sessions are a great way to introduce your company, product or service to attendees. Companies with an established connection to the municipal sector will find value in using this time to introduce new products or services.

Option to present a 60-minute session at event

Providing MNL members with the information and knowledge to make informed decisions around the council table is a core function of MNL events. This option is intended to deliver professional development, skills, or knowledge to MNL's members alongside your organization's messaging.

Logo displayed on tabletop during event meal or nutrition break (tent card or similar)

For organizations looking to keep your brand top of mind during an event, sponsoring a meal or nutrition break includes a tent card on each table with your logo and a QR code pointing to your organization's website or social media account.

Option to display pop-up banner at event

Your floor-standing pop-up banner will be placed in a prominent location at the event venue, ensuring maximum brand exposure

Trade show booth (conference)

Booths are sized at 10 feet by 10 feet, with pipe and drape on three sides and include a six-foot long table. Dedicated trade show time slots on the agenda, plus evening networking events in the trade show space ensure a flow of people to your booth.

Sponsor showcase table (symposium)

A six-foot long table in the sponsor showcase area provides a place to display your wares. A pop-up banner can be placed behind the table. Dedicated sponsor showcase time slots on the agenda, plus evening networking events in the sponsor showcase space ensure a flow of people to your booth.

Advertisement in event program

A full colour advertisement in the conference or symposium event program. Ads must be provided camera ready. The event program is given to each attendee in the event kit bag and made available online as a PDF. Ads are available in a range of sizes, including full, half, quarter, and eighth page.
